Band Plays at Ida Cason

The Band paid its annual visit to Ida Cason Calloway Gardens. They left early Saturday morning on busses and arrived in time to get in some swimming and recreation before the presentation of their concert. The musical program included many selections from their spring concert and concluded with the twirling of the majorette corps.

ANNUAL SPRING CONCERT PRESENTED

The gymnasium doubled as a band shell April 25, when The Jonesboro Senior High School band presented its annual Spring Concert. The program was opened with a duet fanfare of herald trumpets. The next number, "Festival Prelude," featured the brass section. "Burst of Flame" and Hayden's "Dicertimento" followed. Mr. King's own arrangement from "Exodus" and Jim Houston's trumpet solo from the march "Valdres" concluded the first half of the program. "Freedom Plus", one of the band's festival presentations, and Mr. King's arrangement of "Havah Nahgela" resumed the band's presentation after an intermission. "The Peckhorn's Revenge", featuring Abb Dickson as narrator and the French horn section, told the sad tale of the career of a Peckhorn player. "The Kingston Trio Overture" featuring such tunes as "Lemon Tree", "Tom Dooley", "500 Miles", and "When the Saints Go Marching In" featuring Adair Blackwood. Royal
