Mary M.sure has had some wild dreams lately! What's wrong Mary?

Ask Mr. Doran about his life time invitation.

Some Sophomores really had quite a time on a recent hayride.

Who says Roy V. isn't a real cool cat?

Seen; A bear roaming around the halls.

The Seniors really had quite a fright when certain letters were sent out. Right, gang??

Why did Earnie C. want to know what was wrong with a certain Senior boy? That's the mystery of the year, Earnie.

Who wore mustashes to the Science Club meeting?

Well, this ends this year's gossip. To the Seniors I wish the very best of luck and we'll miss you, and to those of you who will be around another year I'll be seeing you. Have a GREAT summer, Tillie.

**PROM TIME**

April 23, 1965, marked a very special day for the students of Jonesboro. For that was the day of our Junior-Senior Prom.

The Prom was given by the Junior class, under the direction of Miss Boteler. The theme of the Prom was "Polynesian Paradise", and the performing band was the "Night Shadows"

The high-lite of the whole evening was the Senior Walk. Pretty girls in pretty dresses descended down the bandstand unto the dance floor.

The estimated number of people present at the Prom ranged from six hundred to eight hundred people. Many of the students present were from other schools.

After a very successful Prom, everyone left for Atlanta or other places, to that long awaited "evening on the town".
