

BASEBALL BEAMS BRIGHTLY

Through the efforts of Coach Shenk and Coach McManus, the baseball team has become a potential winner in 4AAA. The team consists of the following: Joel Smith, Bernie Denham, Milton Tarpley, Bobby Brooke, Jimmy Wiggins, David Turner, Charlie Cofield, Joe Trimble, Hank Meyers, Glenn Adams, Render Swygert, Bobby Wiggins, Robert Kerr, Arthur Kersey, Kenny Batson, Al Oxford, and batboys Butch Thompson, and Joe Wilcox.

Jonesboro opened region play with a 4-1 triumph over the R. E. Lee Rebels. Charlie Cofield led the four-run rally with a base hit. Base - running and mere hustling proved to be a major factor in Jonesboro's rout of R. E. Lee. Superb pitching by Glenn Adams completely mastered the Rebels.

The Cardinals then lost to Forest Park and Decatur on the lack of base hits. Next the Birds met Griffin at Jonesboro on a rain-soaked field and came out three runs short of a victory. The massacre of R. E. Lee by the score of 12 to 2 shows the steady improvement of the team as the season progresses.

TRACK TRIUMPHS

The track team has won meets over Forest Park, GMA, and Campbell of Fairburn by continuously placing first in all events.

Stan Manous and Kenny Parrot, have the 100 yard dash mastered. Stan Kemp, Roy Powers, and Bret Raymon have run over everyone on the relays. The broad jump and discus are in the hands of veteran Glenn Allen. Billy Brackth, Danny Bagby, and Mickey Garber pace the long distance runners. Pole vaulting is in the hands of the capable Larry Roberts. The improvement over last year's team is due to the efforts of Coach "Red" Bullock.

GOLF TEAMS CLUBS OPPONENTS

Coach Bud Amsler's golf team has done very well this year. on his squad are Terry Jeffries, Gary Jeffries, Bob Reineke, Mike Mingle, Paul Alexander, Andy Philipps, Carl Knight, Harold Baldwin, Duffy Little, Rex Clarke and Robert Godwin. Although these boys do not compete in Jonesboro's major sports program, special recognition should be given to them for their efforts.

TENNIS TEAM TERRIFIC

BOYS:

Although the boy's tennis team did not win all of their matches, they have the potential to be winners in 1966. This year's team, coached by Mr. Fred Smith, is composed of Gary Lewellen, Jeb Wilson, Donald Mosley, Jim Clarey, Jeb Barrow, and James Goodrum.

GIRLS:

Coach Louise Stewart has brought her girl's tennis team around into a potential favorite in region 4AAA. Her squad consists of Kathy Heflin, Susan Belleville, Delores Owens, Sharyn Pieacc, and Annette Mainland. Only one Senior graduates from the squad.
